Help build a better world.

World Bible School provides Christians just like you with opportunities to teach the gospel from the comfort and convenience of home.

You can help build a better world by touching the hearts and lives of people who are seeking to know God through WBS Bible studies.

Walk as Jesus walked – save souls.

I have had three chances to believe God. The first time, I was 11 and attended Sunday School. The second time, I was 21 and attended an American Church. But I was scared to be a real Christian around Buddhists. The third time is now, as God calls me again through my daughter who attends a Christian school. I denied Jesus 2 times; I don't want to lose this chance again. I want to study the word of God deeply through this school.
