

**WORLD BIBLE SCHOOL MAIL SYSTEM**

**(In-Country Mail Box Addresses for 14 African Countries, Philippines, India, Mexico, Honduras, Costa Rica, Nicaragua, Peru, Brazil & Chile)**

The World Bible School Mail System is for in-coming mail from targeted nations only. This system has been put in place to assure a reliable way for students to get their mail back to their study helper in a timely manner that keeps them studying and interested. We only provide this service for the countries listed below. All mail is handled by WBS workers and so there are no other people handling the mail or causing any other delays.

If you choose to use this service, you simply show the address below for your students return address in-country. The mail is collected and posted to Cedar Park for sorting and shipping on to the teacher. You must **use your WBS Code #** on all mail, (**especially the answer sheets**) or it cannot be returned to you as the Code is the only way we have of knowing whose mail it is.

If you do not have a WBS Code # for your congregation, you can call and we will assign one for use by WBS teachers in your congregation. The Code # is free of charge and is assigned by state as shown: (TX-001). Please put the proper address on all mail and **use your CODE** in all Teacher boxes (Red Boxes on all lessons) in the appropriate places and in the small box on the bottom of each answer page.

U.S. Postal Regulations require a U.S.A. return address on the outside of the envelope of anything that is mailed to a foreign country. Please **always put your USA return address** on the **OUTSIDE** (upper left-hand corner) of each envelope mailed to your student, and **NOT** the in-country address below.

For more information about this service you can contact us toll-free at: **800-311-2006** or by writing to: **World Bible School Mail System, P.O. Box 2169, Cedar Park, TX 78630.**
